Sorry, I just realized – the Commissioner might be traveling that week. How about July 20?

When we did this one with Dr. Sharfstein on April 27, I think we called it policy so let's stick with that.

We need to please schedule a dental amalgam rule briefing. Do you want to schedule for a 9:15 am timeslot? July 13?

Sorry, just found out that the Commissioner will not be in the office on July 20. Want to look at a new date? I'll confirm the dental amalgam for June 29.

Kelly, just talked to a few more folks and we can work out July 20 9:15 for the mammo briefing. So we can swap and have amalgam on June 29 at 9:15 and Mammo on July 20 at 9:15.

OK?

Ok, I needed to check some schedules first but we can move Amalgam to the June 29, 9:15 briefing spot. That one was to be mammography but would like to move that one later.

At first I thought we could just swap the two but the people we need for mammography are not available on July 20. Then I run into problems with leave schedules for our key 3 people in late July/Aug. Can we move mammography to another day in July? How does July 9 look?

Would CDRH like to do this on June 22 or 29 during one of their Center specific timeslots or I can offer June 30 from 9:30 - 10:20 am at Switzer?

Thanks!

Kelly, dan doesn't have to be there so as long as susan runner and kate cook can make it, we should be able to change. I'll make dan available if possible. Still not able to log on.

Susan can you reply to all on this and for michael too whose name I cannot find on this berry!

Hi Adrienne,

The Secretary is visiting WO on Monday so we might have to move the dental amalgam meeting from 9:15 am. Could we do it on July 1 from 12 - 12:45 pm? This meeting really needs to happen next week.

Thanks!
